

WEBINAR GUEST BIO

Previewing the 2024 Annual Data Release

March 12, 2024

Molly Burdine

Data analyst

County Health Rankings & Roadmaps

Molly is a data analyst for the Data & Analytics team at County Health Rankings & Roadmaps. Molly holds a bachelor's degree in biology from the University of Tennessee at Chattanooga and a master's degree in epidemiology from the University of Wisconsin-Madison.

Gillian Giglierano

Evidence analyst

County Health Rankings & Roadmaps

Gillian is an evidence analyst on the Evidence & Policy Analysis team. Gillian holds a Master of Public Affairs from the University of Wisconsin-Madison's La Follette School and a bachelor's degree from Illinois State University. Her interests are health and education policy, family and child well-being and social justice. Before joining CHR&R, Gillian worked in public schools as an orchestra program director focusing on program accessibility and educational equity.

Bethany Rogerson

Co-director

County Health Rankings & Roadmaps

Bethany is a co-director of the County Health Rankings & Roadmaps program. Her work is focused on bringing evidence, engagement and an equity lens to decisions across sectors that affect health. Before joining CHR&R, Bethany was a senior manager with the Health Impact Project, a collaboration of the Robert Wood Johnson Foundation and The Pew Charitable Trusts. There she contributed to the development and implementation of Health in All Policies initiatives, including funding opportunities and technical assistance efforts to establish and advance

Health Impact Assessment practice in the United States.

Bethany holds a master's degree in social policy from the University of Pennsylvania and a bachelor's degree in environmental studies from the University of Michigan.
