

Exploring Guaranteed Income as a Strategy to Address Income Inequality

Tools and Resources

County Health Rankings & Roadmaps Tools & Resources

- Check out our [recordings and PDF of slides](#) available for all webinars. Please consider sharing with a colleague!
- [Explore Health Rankings](#): The annual Rankings provide a revealing snapshot of how health is influenced by where we live, learn, work, and play. Find and use your county data, read our reports, and learn more what and why we rank.
- [Take Action to Improve Health](#): Find strategies that we know work, guidance for setting a plan in motion, and resources to help you partner with others.
- [Learn from Others](#): Sharing the stories of others ignites possibilities and inspires action. Find out about upcoming webinars, learn more about the RWJF Culture of Health Prize, and check out community highlights.
- [What is Health?](#) Learn about our vision of health.
- Stay in touch with County Health Rankings & Roadmaps:
 - [Subscribe to our e-Newsletter](#)
 - Follow us on Twitter [@CHRankings](#)
 - [Like us on Facebook](#)
- Connect [here](#) to be connected to an Action Learning Coach to discuss how you can apply today's learnings in your community.

Today's Guest, Stockton SEED:

- [Our Vision for SEED: A Discussion Paper](#): Learn more about the vision, hopes and dreams for SEED.

Highlighted Guidance

[Median Household Income](#): Learn more about the connection between income and health by exploring the Health Factor.

[Choose Effective Policies and Programs](#): Tools and guidance to help you select and implement policies and programs that are a good fit for your community.

[Understand and Identify Root Causes of Inequities Action Learning Guide](#): Learn how to identify the underlying factors that create inequities in communities

[Living Wage Laws](#) an evidence-based strategy in What Works for Health that lifts up local implementation approaches.

County Health Rankings & Roadmaps

Building a Culture of Health, County by County

A Robert Wood Johnson Foundation program

Peer-to-Peer Resources Shared in Post-Webinar Discussion Group Session

- The Stockton Economic Empowerment Demonstration ([SEED](#)) [Data Dashboard](#) was co-created with Stockton residents and other partners. The data in this dashboard are part of an external evaluation of SEED's efforts.
- [State Voices](#) supports a network of coalitions fighting for multiracial political power using data, civic participation, and grassroots organizing. They may be a resource when considering long-term approaches to address income inequality.

Healthy Places by Design Resources

- [Healthy Places by Design](#) facilitated the post-webinar discussion group session. Their [Community Action Model](#) was developed with insights from more than a dozen years of supporting successful community health initiatives and a deep understanding of the community change process.
