### 2021 County Health Rankings: Measure Changes from 2020

2020 Measure	2021 Measure	Data Source	Years	Rationale for Change
<b>High school graduation (ranked measure)</b>	<b>High school graduation (additional measure)</b>	National Center for Education Statistics	2017-2018	Moved to an additional measure due to data limitations.
	<b>High school completion</b>	American Community Survey	2015-2019	Replaced High School Graduation as a ranked measure due to High School Graduation measure limitations.
	<b>Broadband access</b>	American Community Survey	2015-2019	Added to better capture accessibility to internet for employment, education, tele-health, and social interaction.
