

Advancing Equity: A Racial Equity Journey Tools and Resources

County Health Rankings & Roadmaps Tools & Resources

- [Slides and a recording](#) are available in the Webinars section of the website. Please consider sharing with a colleague!
- This short [County Health Rankings model video](#) unpacks the Rankings model.
- [State Reports](#): Find out more about health equity in your state.
- [Explore Health Rankings](#): The annual Rankings provide a revealing snapshot of how health is influenced by where we live, learn, work, and play. Find and use your county data, read our reports, and learn more what and why we rank.
- [Take Action to Improve Health](#): Find strategies that we know work, guidance for setting a plan in motion, and resources to help you partner with others.
- [Learn from Others](#): Sharing the stories of others ignites possibilities and inspires action. Find out about upcoming webinars, learn more about the RWJF Culture of Health Prize, and check out community highlights.
- [What is Health?](#) Learn about our vision of health.

Peer-to-Peer Resources Shared During Webinar and Post-Webinar Discussion Group

- The [Equal Justice Initiative's](#) resources help communities in the south understand their racial history.
- [Racism: Science & Tools for the Public Health Professional](#) (New book available from APHA).
- Learn more about [Vision Zero](#).
- Learn more about [Undoing Racism](#).
- Check out the [Dangerous By Design 2019 Report](#).
- PolicyLink's [National Equity Atlas](#).
- The Center for Adult Experimental Learning's [Inclusive Development Network](#).
- [Mapping Inequality Redlining in New Deal America](#)
- GARE's [Racial Equity Action Plans Manual](#)
- **Recommended strategy:** Start with your vision for your community and call it out when residents are not benefitting from the intended vision. Use disaggregated data to support you in calling out the facts.

Healthy Places by Design Resources

- [Healthy Places by Design](#) facilitated the post-webinar discussion group session. Their [Community Action Model](#) was developed with insights from more than a dozen years of supporting successful community health initiatives and a deep understanding of the community change process.
